

The NASA Space Grant Scholarship Program comprises individuals from engineering, science, and education who work together for the advancement of science and engineering. Students interested in applying to the program must pursue a degree in a NASA related discipline.

NASA Idaho Space Grant Scholarship Program Application

~ Goals ~

- ★ To identify, recruit, and retain students in math, science, engineering and science / math education disciplines
- ★ To encourage women and underrepresented students to enter NASA related fields of study
- ★ To increase awareness of NASA activities in Idaho

Students attending the following institutions may be eligible to apply:

College of Idaho ★ Boise State University ★ Brigham Young University – Idaho
College of Southern Idaho ★ Idaho State University ★ Lewis-Clark State College
North Idaho College ★ Northwest Nazarene University ★ University of Idaho

Deadline: Application MUST be RECEIVED by March 20, 2009 (5pm PT)

Applying for a Scholarship

Students pursuing a baccalaureate degree at one of the NASA Idaho Space Grant Consortium member institutions may be eligible to apply for the ISGC Scholarship. Other requirements include:

- U.S. Citizenship
- Entering or enrolled in a science, math, engineering, or science / math education discipline as a full-time student
- A current cumulative GPA of 3.0 or higher

Awards are up to **\$1,000** per academic year, renewable annually upon the completion of program requirements. Awards are granted for a maximum of four academic years.

Application Submission and Contact Information

Please submit all materials in the following order, **stapled** in the upper left hand corner:

- Completed application
- Essay
- Resume
- Letters of support (remove from envelopes)
- Transcripts - *Sealed official transcript required for original packet, unofficial transcripts can be used for 6 additional application packets*
- ACT/SAT scores (if available) – acceptable on transcripts

Submit 7 complete packets (one original / 6 copies) to:

NASA Idaho Space Grant Consortium
University of Idaho
PO Box 441011
Moscow, ID 83844-1011

To request additional information, contact the ISGC at (208) 885-6438 or e-mail isgc@uidaho.edu.
This application is also available online at <http://isgc.uidaho.edu>.

NASA Idaho Space Grant Consortium Scholarship Program Application
